GMG INSURANCE AGENCY CELEBRATES 14 YEARS IN LAGUNA BEACH

Expert Agent Pat Freeman Celebrates 20 Years in Orange County Insurance Market

Laguna Beach, CA (November 9, 2021) – GMG Insurance Agency, established in 1937 in Bucks County, Pennsylvania is proud to celebrate the agency’s west coast office operating 14 years in Laguna Beach, CA. Helmed by Pat Freeman, GMG has established itself as a leading independent insurance agency offering coverage in all lines of personal, commercial, life and employee benefits. The Laguna Beach office services both Southern and Northern California along with the Southwestern US.

Prior to opening GMG’s Laguna office in 2007, Pat entered the insurance business in 2003 working with his Father Patrick Freeman, Sr at his Allstate Agency. It was the 1993 wildfires in Laguna Beach that inspired Pat to ultimately join his Father in the insurance business. “Watching my father and his agency serve the town I love in its most challenging time was all the motivation I needed to change careers and do my part in protecting my friends, their assets and work to become the best at what we do. There has never been a more challenging time for personal and commercial insurance in California’s history. Our communities should take comfort knowing that GMG is capable of meeting all of its insurance needs.”

When he isn’t helping his clients and communities need for managing their risks, Pat also enjoys cycling, surfing, snowboarding and all the other wonderful activities California has to offer. Pat graduated from Laguna Beach High School in 1985 and is an affiliate member of the Laguna Beach Board of Realtors and Chamber of Commerce.

GMG is also very proud and excited to announce that Adrienne Yahr, Personal Lines Account Manager will be servicing clients from the Laguna Beach office. Adrienne has worked in the insurance industry for over 25 years. Her knowledge and experience are a welcome addition as she will continue to support GMG’s status as experts in risk management.
