GMG INSURANCE HELPS THE WILLIAM WAY LGBT COMMUNITY CENTER

Newtown, PA (July 25, 2024) – In an act of community support, GMG Insurance, in partnership with Westfield Insurance, is proud to announce a donation of \$6,500 to The William Way Community Center. This contribution is part of the Legacy of Caring program initiated by Westfield Insurance.

Each year, the Westfield Insurance Foundation, an independent private foundation endowed by Westfield, empowers its top independent insurance agencies to nominate a local nonprofit to receive a donation. Through this program, donations reach numerous nonprofits where Westfield operates, bolstering community efforts and enhancing local lives.

Since its inception in 2015, the Legacy of Caring program has been committed to supporting nonprofits that help underserved communities — a reflection of the everyday mission of the insurance industry.

“As Westfield enters our 176th year, we achieved this longevity by generations of employees and agents working together, committed to preserving and propelling our communities forward,” said Ed Largent, Westfield president, CEO, board chair, and Westfield Insurance Foundation chairman.

“At GMG Insurance, community involvement and support are at the heart of our operations. We continuously seek opportunities to give back and make a significant impact where we live and work,” said Charles Thomas, Principal of GMG Insurance. “Our partnership with Westfield enables us to extend our reach and deepen our community connections with organizations like the William Way LGBT Community Center.”

For Westfield, the initiative goes beyond mere financial assistance—it’s about nurturing communities and fostering prosperity through sustained support. We at GMG Insurance are delighted to be a part of this noble cause, working alongside Westfield to cultivate a thriving community.
